STEP5: Click on activate your trial account for 395 Days with the feature code.

STEP6: Provide the email id & password used for ICT Academy account creation and click on next to get the OTP on the registered email id.

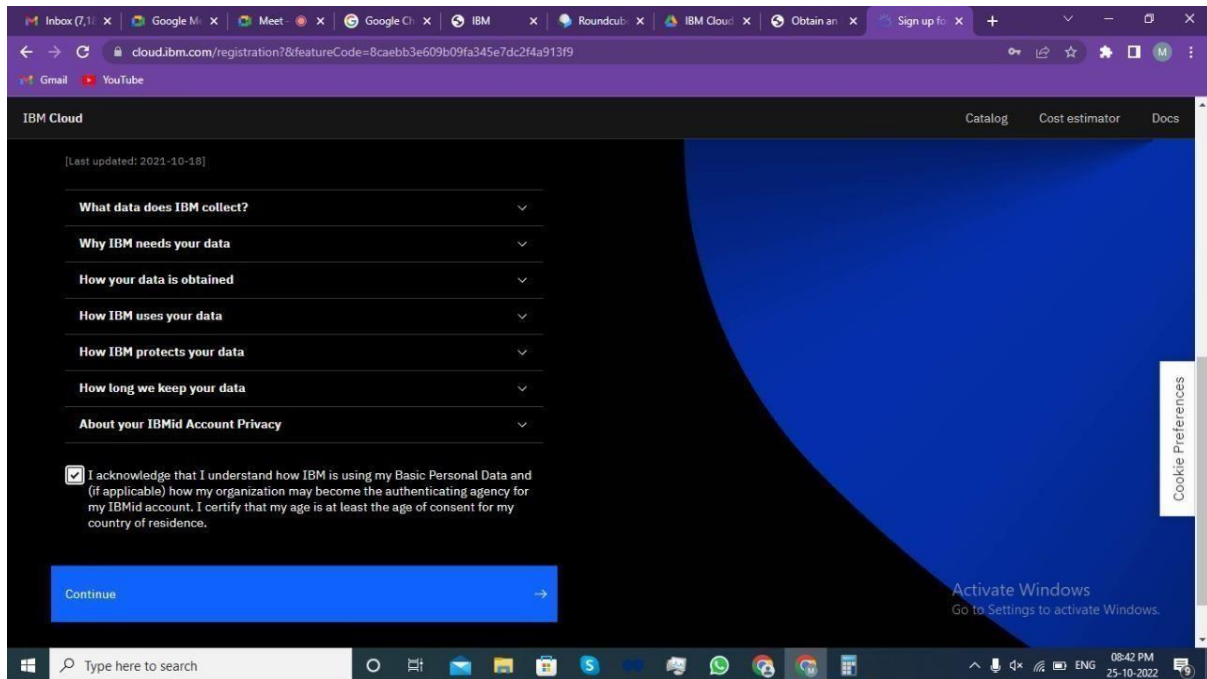

Step 7: Provide personal information and click on next.

The screenshot shows the IBM Cloud registration page. The left sidebar contains three steps: 'Account information' (completed), 'Verify email' (pending), and 'Personal information' (active). The 'Personal information' section has input fields for 'First name', 'Last name', and 'Country or region' (set to 'United States'). A blue 'Next' button is at the bottom of the form. The main content area on the right features a dark blue background with white text: 'Get started with a USD 200 credit', 'Build your journey to public cloud', and an 'Activate Windows' watermark. The browser's address bar shows the URL: cloud.ibm.com/registration?&featureCode=8caebb3e609b09fa345e7dc2f4a913f9. The Windows taskbar at the bottom shows the time as 08:40 PM on 25-10-2022.

Step 8: Accept the terms and conditions then click on continue

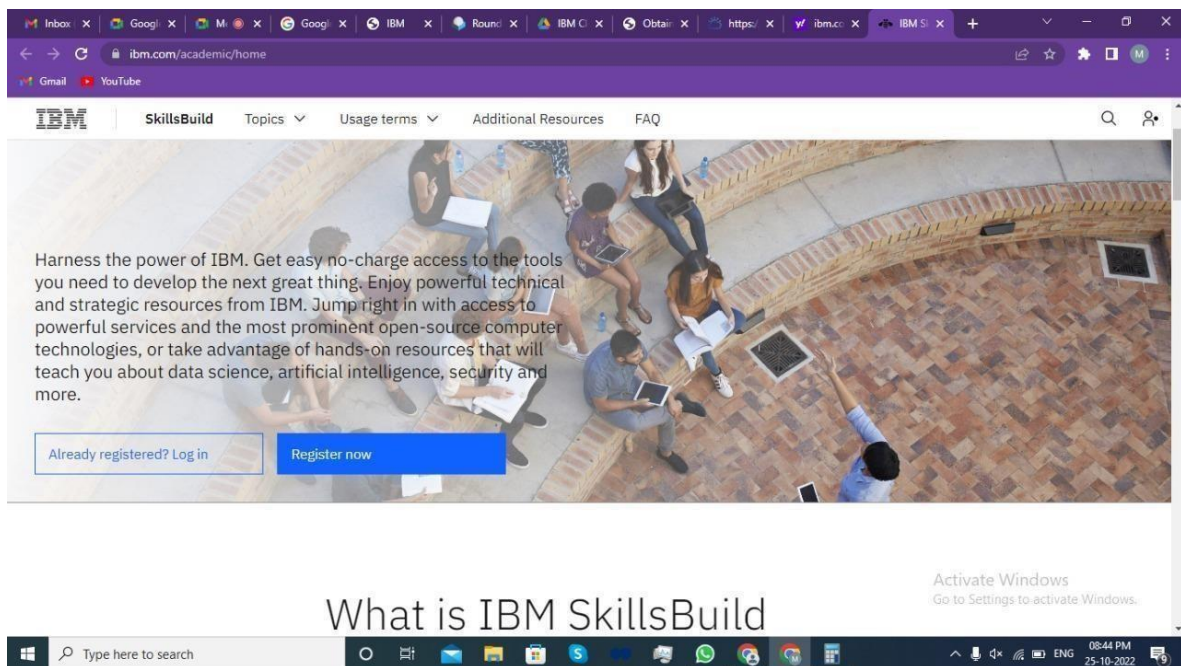

The screenshot shows the IBM Cloud registration page at the 'Account notice' step. The left sidebar now shows 'Account notice' as the active step. The main content area contains a dark grey box with white text explaining IBM's use of contact data and providing an 'opt-out request' link. It also states that the user acknowledges the IBM Privacy Statement. A checkbox labeled 'I accept the product Terms and Conditions of this registration form.' is checked. A blue 'Continue' button with a right arrow is at the bottom of the form. The background features the same dark blue design with 'Activate Windows' text. The browser's address bar and Windows taskbar (showing 08:41 PM on 25-10-2022) are visible.

Step 9: Review account privacy notice mark the checkbox then click on continue.

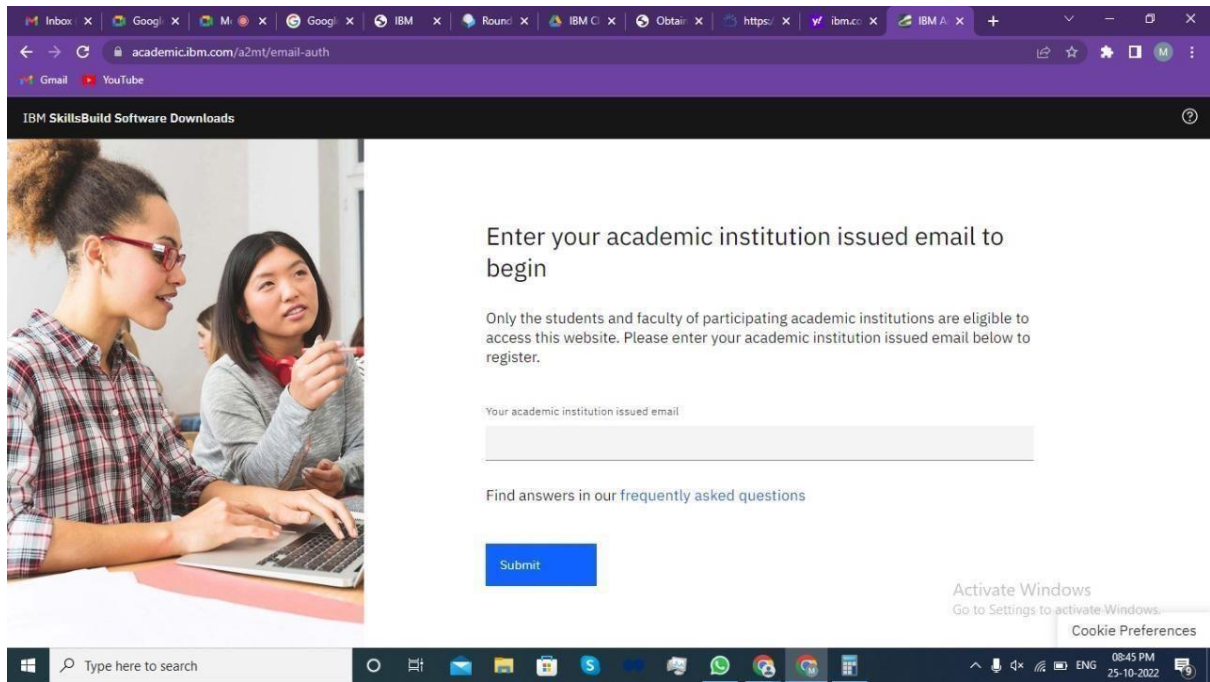

Step 10: To get the Future Code, Go to the Website

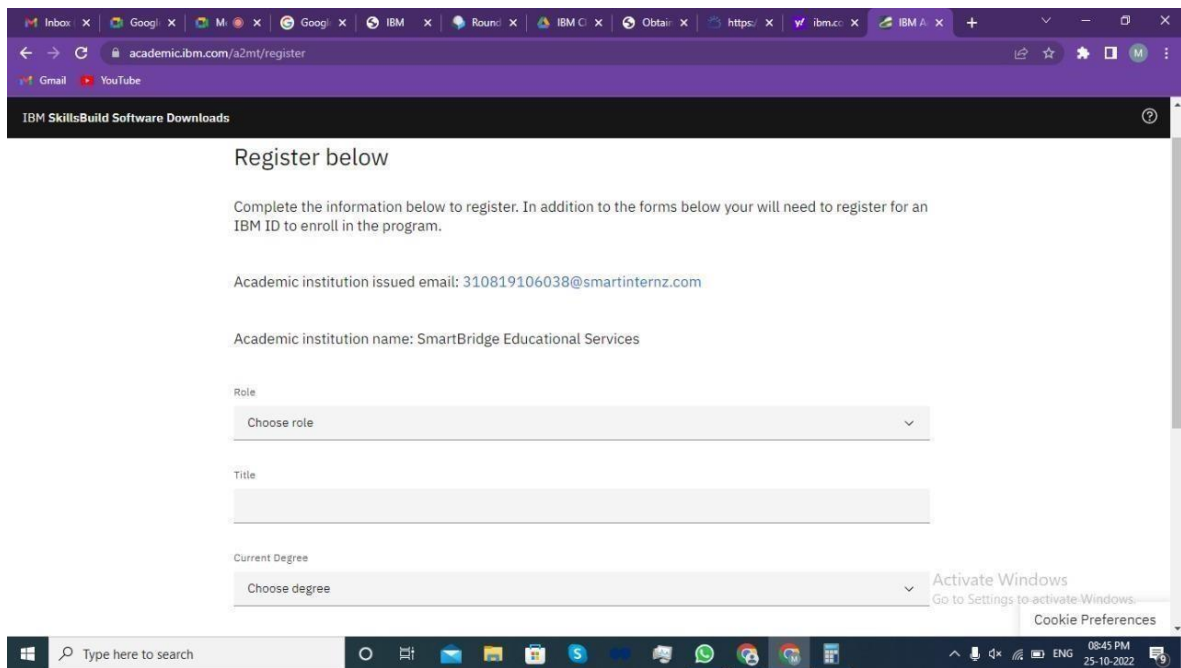

<https://www.ibm.com/academic/home>

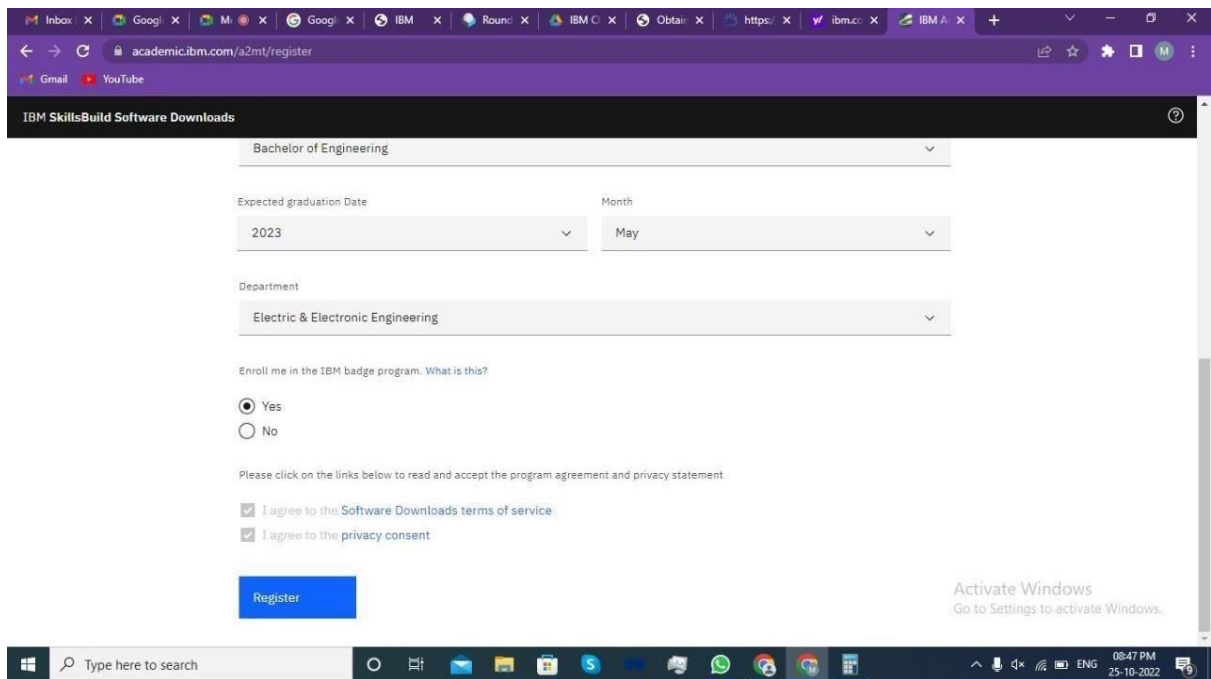

Step 11: Click on Register Now.

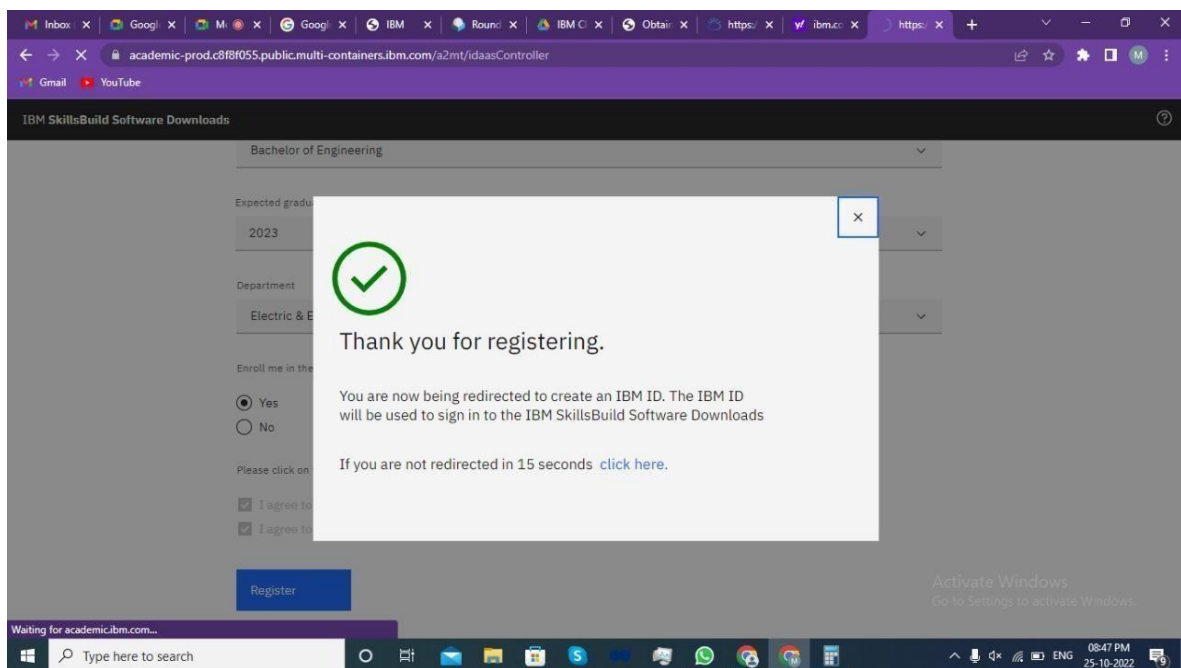

Step 12: Fill the details.

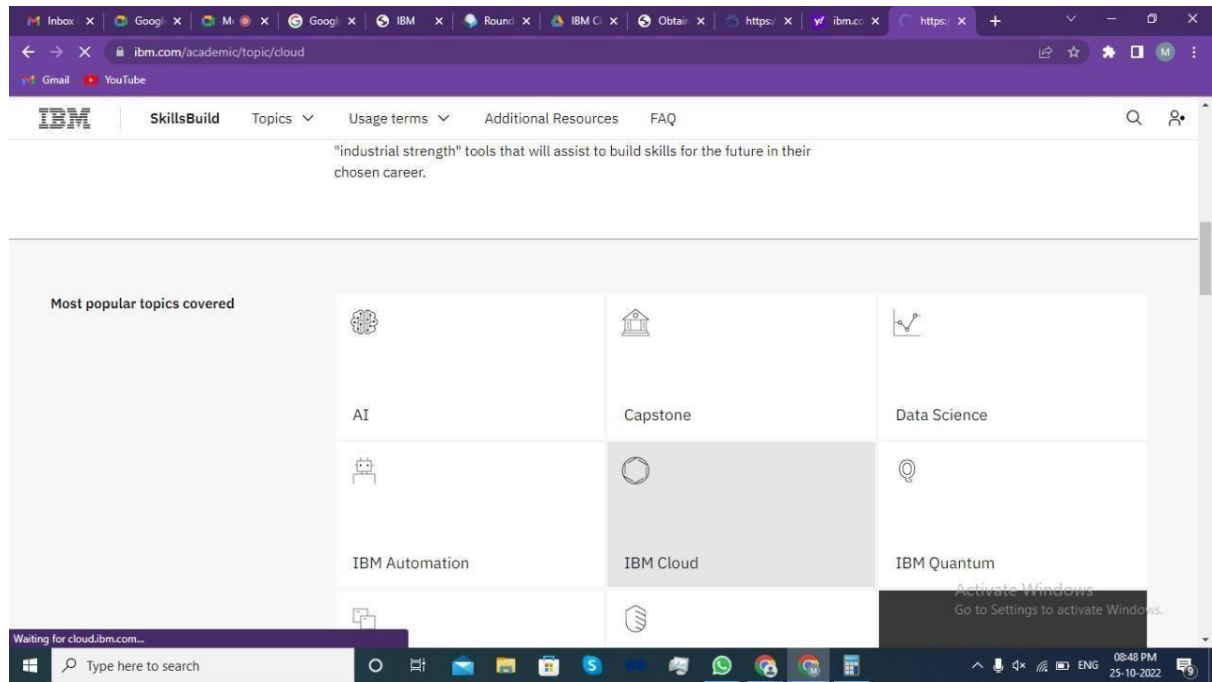

Step 13: Agree the Terms and Conditions and Register.

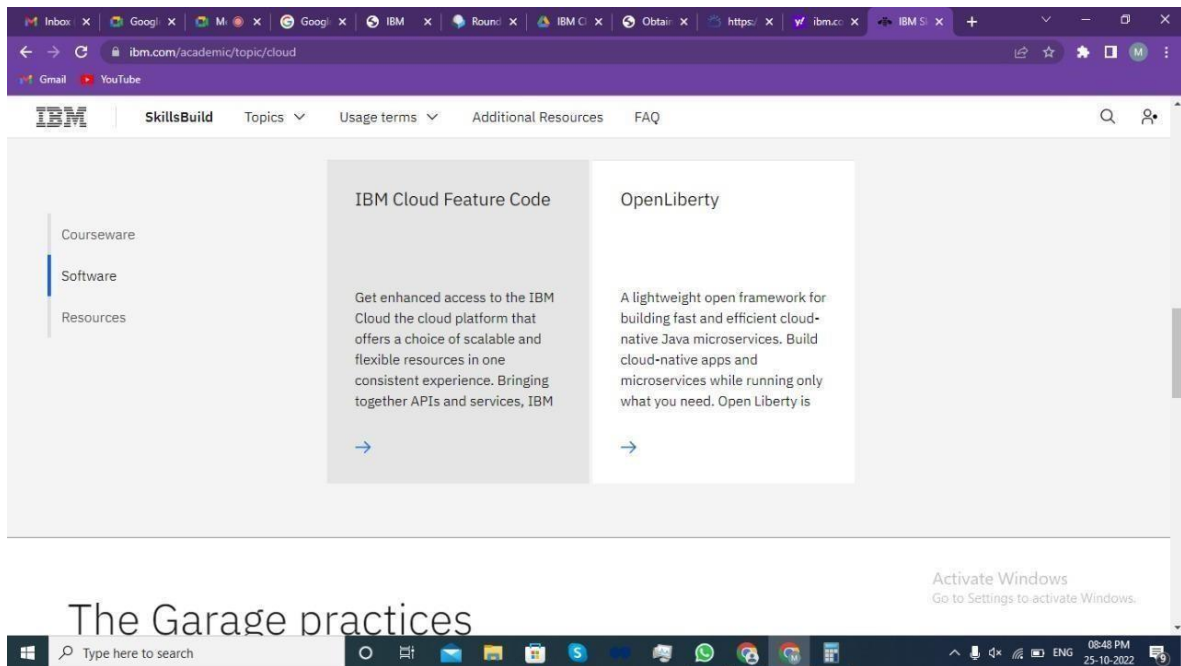

Step 14: Registration Success.

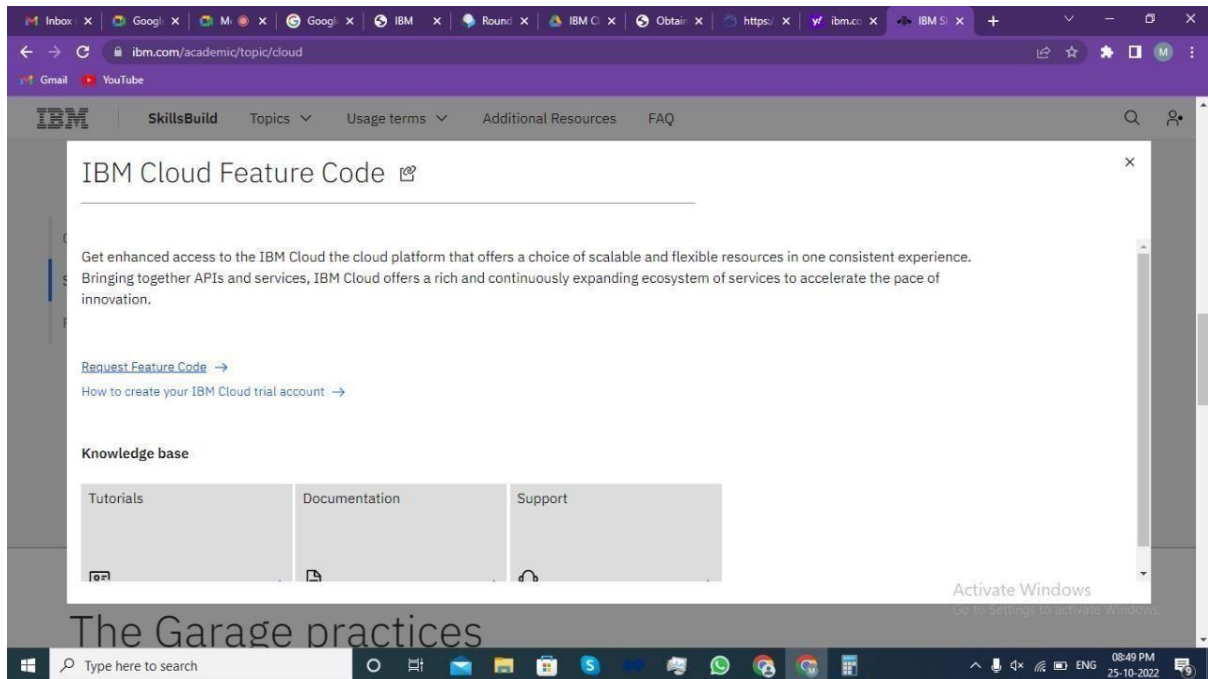

Step 15: Click on IBM Cloud.

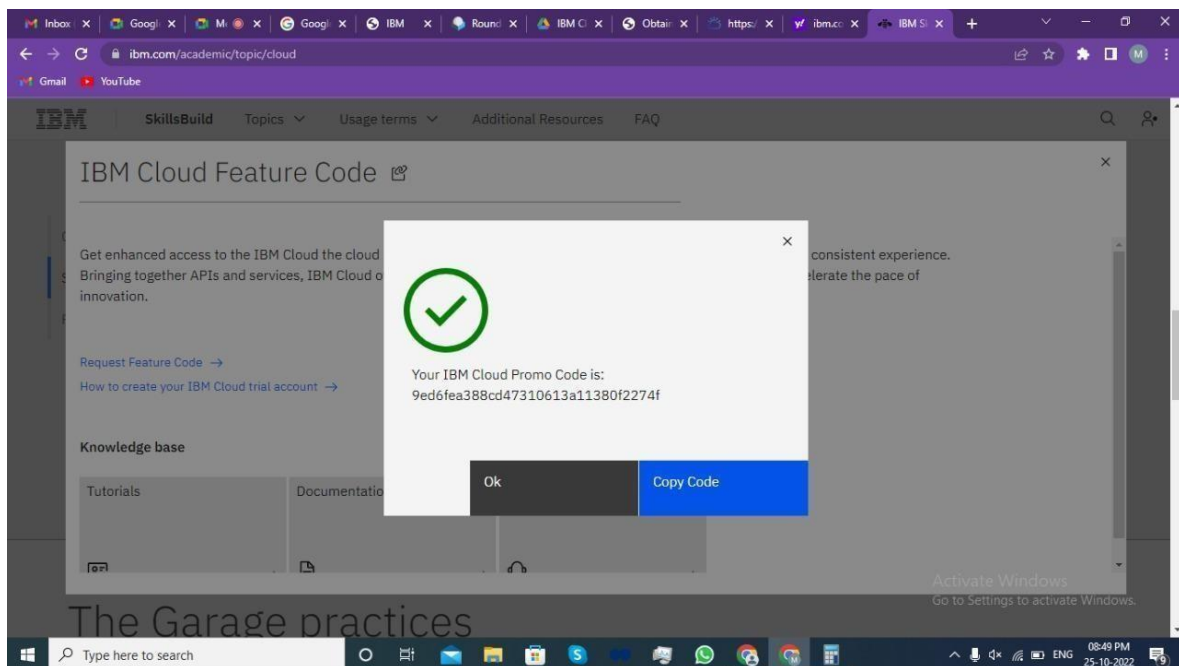

Step 16: Go to Software and click on IBM cloud feature code.

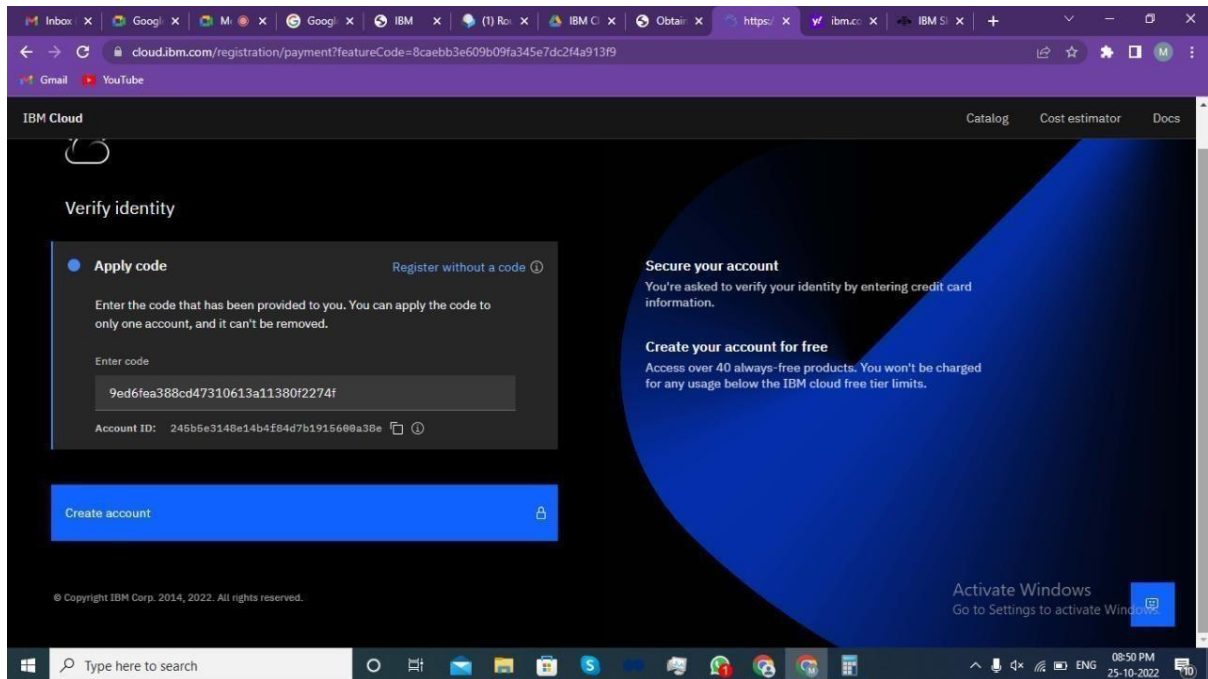

Step 17: Click on Request Feature Code.

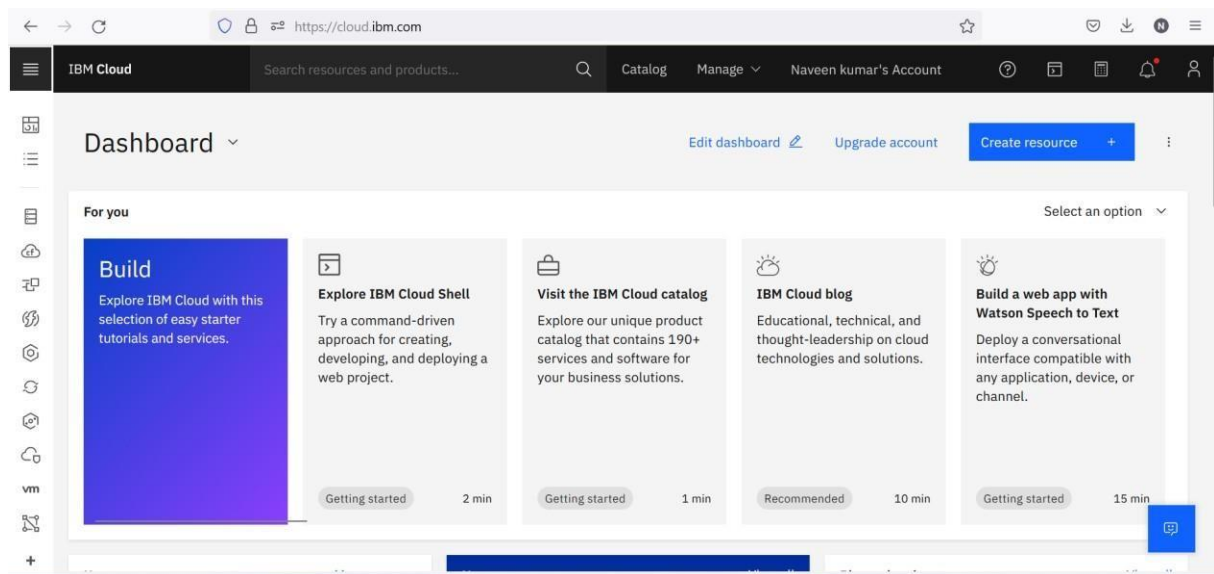

Step 18: copy the code

Step 19: Paste the Code and click on create account.

Step 20: After Successfully creating the account you are redirected to the dashboard page of the IBM Cloud account.

Result:

An IBM Cloud Service created Successfully.
